

A regional bestseller in the southern Maine coast, GHOST TRAP, written by Dave Lowell, a Maine native, tells the dark tale of a suburban family who buys an old home and gets a lot more than they bargained for. As Dave Lowell tells it, Renovations of an old sea captains house turn eerily frightful when a fireplace is unsealed, releasing spirits of past owners. Bizarre artifacts are discovered within the homes age-old walls, revealing a chilly history of piracy and murder. The only way to end the madness is to trap the spirits back into the shaft, where they have ben held captive for years. But how do you trap ghosts? Especially ones so evil?
