

Do you have a Vision for yourself and your enterprise that captures others imaginations and inspires loyalty? Lion Taming gives you live examples of leaders who have done just that, and practical means for capitalizing on your personal leadership style. It can spark radical acceptance of your leadership potential. It stimulates awareness of your never-to-be-duplicated personal vision and a specific focus on concrete actions and attitudes; for today, next week or a year from now. Your adventure with Lion Taming gives you means for providing yourself and your enterprise with: A sense of Who we are, and Who we are becoming (Vision). Clarity about What we are on the planet to do (Mission). Important, concrete, measurable, Mission-created outcomes. Plans and tactics requiring action and accountability long-term and daily. An arsenal of trust producing approaches, to inspire and maintain loyalty in all your essential business relationships. Through the eyes and experiences of learn-as-you-go corporate leaders, Lion Taming lays out a plan for acquiring a focused, action-producing vision of yourself and your enterprise. These real life leader-successes are very different from each other. Their lives are a call for leaders, and those who aspire to lead, to be true to their own most natural leadership style, turn it into a plan, and do it!
