

Integrated Electronic Health Records: An Online Course and Worktext for Greenway Medical Technologies PrimeSUITE®. This hands-on course is offered as an online integrated EHR and practice management program through McGraw-Hill's Connect. Connect uses the latest technology to better connect professors to their students, and students to the information and customized resources they need to master a subject. It includes a variety of digital learning tools that enable professors to easily customize courses and allow students to learn and master content and succeed in the course. Here's what you can expect from the Worktext: -An introduction to Greenway Medical Technologies' PrimeSUITE, an ONC-ATCB-Certified online EHR and practice management interoperable solution. The book covers the key topics for EHR including Meaningful Use Stage 2 and ICD-10, with simulated PrimeSUITE exercises in Connect as the vehicle to demonstrate those topics. Attention is paid to providing the "why" behind each task so that the reader can accumulate transferable skills. -Updated content that will be appealing to HIM programs, HIT programs, MIBC programs and more. All exercises are designated with PM, EHR, HIM tags, or some combination of those three. The second edition has additional simulated PrimeSUITE exercises, including Applying Your Skills exercises.
