

The Letter To Titus, one of the three Pastoral Epistles of the New Testament, has over the last twenty years become the ground of intense controversy-theologically, sociologically, even politically. For this letter (like its companions, I And II Timothy ) dates to a time when the Apostles are gone and a new church leadership is evolving. In Titus we read instruction that is of continuing importance to the Christian faithful, touching on issues that are with us yet--leadership in the Church and qualifications for authority; propriety of worship; the roles of women; the demands of the Christian ethic upon individuals; the relationship of the new followers of Christ with their Jewish contemporaries. Monsignor Quinn guides us ably through the shoals of contemporary controversy among scholars, dealing definitively with issues of authorship, place of origin, original audience, and the purpose of the Pastorals. More than this, he sets before us his integrated vision of these letters as the earliest anthology on the subject of pastoral leadership. The crowning achievement of a lifetime of admirable work in biblical studies, these translations and commentaries will stand as Quinns monument for generations to come.

The Field & Stream Baits and Rigs Handbook, Rabbinische Gleichnisse und das Neue Testament: Die Gleichnisse der PesK im Vergleich mit den Gleichnissen Jesu und dem Neuen Testament (Judaica et Christiana) (German Edition), I Came as a Child: Zimbabwe 1992-1996, Soils of the San Luis Valley, Colorado (Classic Reprint), Practice Management, How to Properly Dine - 7 Table Manners Thatll Impress Your Friends, The Season Came To An End: Freestyle Brings Loneliness To a Crowded Dance Floor (Pop Papers Book 2), The Prindle Genealogy: Embracing the Descendants of William Pringle, the First Settler, in Part for Six, Seven, and Eight Generations, and Also the ...
